## Spring 2010 Workshops

### Applying Kohut's Major Contributions to the Treatment of Parents and Children Joanna Hulton, PhD

*2 Hours: One 2-hour session*

*This program has been approved for 2 hours of continuing education under the auspices of the New Jersey State Board of Social Work Examiners.*

We will continue the conversation begun in the Fall '09 Workshop - demonstrating how a parent is helped to understand their child from a self psychological perspective and the insights that an adult can gain into their own childhood via the parent-child interactions. The selfobject experiences needed for healthy development will be explored. Returning participants are invited to bring in case vignettes that will be used to illustrate how a parent's unmet needs can distort the child's experience of their own needs. Participants will learn how this clinical approach encourages treatment outcomes that benefit both parent and child.

*Joanna Hulton, PhD Graduate, The New York Institute for Psychoanalytic Self Psychology; NYS licensed psychoanalyst; private practice, Long Island, NY.*

**Date: Sunday, May 16**

**Time: 2:00 p.m. - 4:00 p.m.**

**Place: NYIPSP, 230 West End Avenue, #1D (enter on West 70th Street), New York, NY**

**Fee: \$20.00**

*Open to all mental health professionals.*
