Spring 2010 Workshops

The Treatment of a Severely Disturbed Child from a Self Psychology Perspective **Instructor: Frances Levine, MSW, LCSW, BCD-P**

2 Hours: One 2 hour session

This program has been approved by NASW-New York State for 2 contact hours under approval S-439-B. (accepted for CE credit in most states including NJ, NY, CT, MA, and PA.)

This workshop will focus on helping participants understand the inner life of their child patients through empathy as was elaborated in the works of Heinz Kohut. Social workers will enhance their skills through understanding the deeper meaning of empathy as a data gathering tool for further understanding and explaining. Participants will have the opportunity of discussing their own cases.
